GENERAL MEDAL INFORMATION

All medals are of extra heavy thickness, and are made of a very fine quality of material, irrespective of the finish.

When a raised lettering die is made for the Series P, S and T medal, the sport or event appearing on the original medal cannot be changed. For example, when a Series P die is cut showing a baseball batter figure, and the lettering "Athletic Association" is cut into the die, this medal can be furnished only for baseball, and for no other event.

Any medal or ball shown in this catalogue may be purchased with a raised letter die. The charge for this die is based on our actual cost and is a one time charge. As long as the lettering is uniform, any number of medals may be furnished with the raised letter die. Each die, however, may be used for only one series of medals. For example, the raised letter die for Series P medal cannot be used for the Series T medal. Raised letter dies can be furnished for either the back or front of the medal, or for both. Write for prices.

Medals are furnished with ring tops unless otherwise specified. Where a buttonback or plain pinback is desired, add 20c to the list price of the medal. Where a safety pinback is desired, add 30c to the price of the medal.

For 10K pinback or buttonback add to the price listed $1.00.

Raised enamel letters $.60 each.

Large single raised enamel letters $.60 each.

Large single inlaid enamel letters $.35 each.

Inlaid enamel letters—a minimum of six letters on each item $.20 each.

RIBBONS AND BOXES FOR MEDALS

All medals can be purchased with or without ribbons, boxes, etc. To determine your cost, add the prices below to the price of the medal.

THE FRESHMAN PRESENTATION—Decorated Presentation Card ..... No Charge
THE SOPHOMORE PRESENTATION—Decorated Card and Plain Box ..... $0.06 per Medal
THE JUNIOR PRESENTATION—Decorated Card, Silk Ribbon and Plain Box ..... .25 per Medal
THE SENIOR PRESENTATION—Silk Ribbon and Velvet Lined Box ..... .35 per Medal

Be certain to specify the Presentation style desired on all medal orders. Unless otherwise specified, all medals will be shipped with a Presentation Card and glassine envelope (Freshman Presentation) at no charge.

STAMPED LETTERING ON BACKS OF MEDALS—NO CHARGE

All medals can be stamped with any three lines of lettering as listed below, free of charge. For additional lines, add 6c to price of medal. A line of stamping consists of individual listings as shown below. For example, the event **80 meter crawl 1947** comprises three lines of stamping. Write for prices on back stamp dies for those events, etc. not listed.

GENERAL TROPHY INFORMATION

All heights quoted on interchangeable trophies are based on the average height of all interchangeable figures. The average height of OLYMPIC figures is 8 inches, and individually they vary from 6 inches to 12 inches. The average height of CONFERENCE figures is 5 inches, and individually they vary from 4 inches to 7 inches.

All trophies, unless otherwise specified, are furnished in SunRay. Some cups are urnished in a choice of SunRay and Silver Plate. It is of great importance that you specify the finish.

All figures mounted on bases, cups, columns, etc. are attached so that the figure will not topple or become loosened—thereby eliminating any possible breakage.

Expert engraving is assured by having it done in our factory. We suggest that you leave the arrangement of all engraving entirely up to us.

Engraving on trophies, plaques, gift items and cups lists at 7c per letter. All engraving furnished is block lettering Write for quotations on special lettering.

You will note that in this catalogue there is a listing of three different interchangeable figures: Olympic, Conference, and Specialty Series. In ordering, be certain to notice which series of figures can be furnished on the trophy ordered. The Conference trophies can be furnished only with Conference or Specialty Series figures. The Olympic trophies can be furnished with Olympic or Specialty Series figures.

INFORMATION ON INTERCHANGEABLE FIGURES

FIGURES: All figures available are being listed and divided into three sections: the Conference, Specialty, and Olympic style of figures. Refer to page which shows trophy desired to determine style of figure to be used.

We are listing opposite these figures the additional cost. When any of these figures are ordered, *add to the list price of the complete trophy,* the prices as itemized below.
